

Saft Ferak a.s. integrated management policy:

Vision

We, the employees of Saft Ferak a.s., would like to continuously provide the values to our clients, business partners and shareholders.

The assistance of Saft Group is a reliable warranty for long-term relations, up-to-date technology and worldwide support.

By continuous improvements, modernisation and flexibility, the customer is given the product that fully meets his needs.

We make good use of operating in a new EU member state with an industrial tradition.

The key to success is having motivated and responsible employees. Our priority is to contribute considerably to their development.

We foresee and minimise environment impacts for all our activities. We use the natural resources and raw materials to the best of our knowledge.

Quality is a must for us
